

**ALREWAS PARISH COUNCIL**  
**STRATEGIC PLAN**  
**AND OPERATIONAL PLAN**  
**2019-2022**

**1 Introduction**

Alrewas Parish Council approved this Strategic Plan and Operational Plan in October 2019 to support its overarching **AIM** which is:

***To carry out its statutory and other responsibilities legally and effectively for the benefit of the community which it serves***

To enable the Parish Council to be a positive force in the Community it will:

represent the community to other parts of local and national government and other organisations

consist of properly elected or co-opted competent councillors who carry out their duties to the standard expected of those in public life and in line with the Standing Orders, Code of Conduct and Financial Regulations of the Parish Council

employ properly appointed and effective employees and contractors

spend money only for the benefit of the community according to agreed Council priorities informed by this Strategic Plan

work with other local and national service providers to maintain and enhance, where possible, services and facilities in the community

be responsive to community needs where possible and initiate and support developments, where possible, which reflect the needs of the community

maintain plans and policies which support the community, especially in relation to planning

be informed in its actions by the approved Alrewas Neighbourhood Plan

The Strategic Plan will be reviewed annually at the Council's Annual Meeting in May, progress recorded and Aim/s and Objectives confirmed for the following year.

In order to prioritise its actions, the Council has the following **OBJECTIVES**:

1. To operate effectively as a Parish Council, maintaining strong financial controls, and with appropriately trained and experienced councillors and employees, to enable it to represent the community effectively when interacting with local and national bodies and organisations
2. To work with others to provide a positive and attractive environment for residents and visitors
3. To work with residents and other bodies to proactively support a safe and low crime environment for residents and visitors
4. To support the provision of facilities and activities for the full age range of residents and visitors, including cultural and sporting facilities to help maintain an active and healthy population
5. To support the environment, wild spaces and sustainable development in the community
6. To reduce the reliance on diesel and petrol transport in and around the village
